MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Memorandum of Appreciation

1. During the past year this Office has called upon fifty-five guest speakers from the offices under your control. Their participation in various training programs has been a significant contribution to the Office of Training in the achievement of its mission. They have been particularly effective in giving to your own students the skills and understanding they require.

2. I will not attempt to name the fifty-five here nor to single out the outstanding contributors among them. Many of these speakers have appeared several times supplementing the work of our regularly assigned instructors. All have been thanked individually during the year. However, I do want to acknowledge this aspect of your support and express again our collective appreciation.
